Services DAV provides to veterans and their families

Benefits Advocacy

DAV service officers provide counseling on veterans benefits administered by the United States Department of Veterans Affairs (VA), including disability compensation, health care, pension, survivors' benefits, employment rights, education and more.

DAV also provides disaster relief to disabled veterans affected by catastrophes such as tornadoes, hurricanes or floods.

In about 100 offices throughout the United States and in Puerto Rico, DAV employs a corps of professional benefits experts who represent veterans and their families with claims for benefits from the VA, the Department of Defense and other government agencies.

All of the professional services DAV provides are offered at no cost or obligation to veterans, their families and survivors of all generations. Veterans do not have to join DAV to benefit from our mission. DAV service offices can be contacted through benefitsquestions.org.

National Employment Program

The journey from injury to recovery is not complete until a veteran is able to find meaning in his or her life. For those who are able, that means getting back to work to care for their families. As the nation winds down from nearly two decades of war, thousands are making the transition from military to civilian life.

DAV is committed to ensuring the men and women who stood up for America have the tools, resources and opportunities they need to competitively enter the job market and secure meaningful employment.

DAV's employment program connects transitioning active duty, Guard and Reserve members, veterans and their spouses with employers.

Through our traditional VA benefits and claims assistance available at hiring expos and by co-hosting career fairs, DAV is helping to address one of the greatest needs facing our nation's heroes. Information on employment services and a schedule of upcoming events can be found at jobs.dav.org.

Legislative Program

As a nonpartisan organization, DAV seeks reasonable, responsible legislation to improve benefits and services for disabled veterans, their families and survivors. DAV's legislative goals are set by the organization's members and focus on issues such as disability compensation, medical care, women veterans, employment and rehabilitation programs, as well as burial and survivors' benefits. Stay up to date on these issues and more at davcan.org.

Voluntary Services Program

DAV provides a wide range of services for veterans that include transportation to medical appointments, support in VA medical facilities and special assistance to veterans in need in communities nationwide.

Interested volunteer drivers and those who would like to work in VA medical facilities can email vavs@dav.org to learn more about opportunities in your area.

Veterans with special needs, their caregivers and those interested in community support can visit volunteerforveterans.org.

These services can be as simple as helping veterans or caregivers with home maintenance to participating in initiatives that assist our nation's heroes at the local level.

All of the services DAV provides are offered at no cost or obligation to all generations of veterans, their families and survivors.

What is DAV?

DAV (Disabled American Veterans) is a nonprofit organization of more than 1 million U.S. military veterans who suffered some degree of disability while serving in time of war or armed conflict. DAV was founded in 1920 and chartered by Congress in 1932.

Membership Program

Membership is the lifeblood of DAV. Our community of more than 1 million veterans stands together to ensure our nation keeps its promises to the men and women who served our country. At no time since DAV was formed by World War I veterans has the fight for the future of veterans care and benefits been more critical. Joining and supporting DAV helps us protect the health, disability and financial benefits that veterans have earned.

DAV members get exclusive discounts and advantages, stay informed through a free subscription to *DAV Magazine*, and support DAV's mission by showing lawmakers you're willing to stand up for veterans.
