

VETERAN EMPLOYMENT

The journey from injury to recovery is not complete until a veteran is able to find meaning in his or her life. For those who are able, that means getting back to work to care for their families. As the nation winds down from nearly two decades of war, thousands are making the transition from military to civilian life.

DAV is committed to ensuring the men and women who stood up for America have the tools, resources and opportunities they need to competitively enter the job market and secure meaningful employment. Through our traditional VA benefits and claims assistance available at our co-hosted job fairs, DAV is helping to address one of the greatest needs facing our nation's heroes.

DAV's employment program connects transitioning active duty, Guard and Reserve members, veterans and their spouses with employers.
