\$110,000

in assistance annually

Evan Osgood (right) receives the top scholarship prize for his volunteer work assisting veterans in his community.

DAV offers \$110,000 in scholarships annually for youth volunteers to be used toward any accredited institution of higher learning, including universities, colleges, community colleges and vocational schools.

Each year, DAV honors volunteers who demonstrate outstanding dedication and service to America's veterans. Volunteer service is at the heart of the DAV mission of helping empower more veterans to lead high-quality and fulfilling lives. From donating time at the Department of Veterans Affairs Medical Centers to assisting veterans in their local communities, DAV volunteers make a real difference in the lives of veterans.

Evan Osgood founded a nationwide network of volunteers making masks for health care workers, vulnerable populations and military veterans. Since 2020, over 10,000 volunteers have donated over 800,000 pieces of personal protective equipment, with nearly 40% of supply going to veteran communities.

Scholarships can be awarded to any volunteer who is age 21 or younger and has volunteered for a minimum of 100 hours through DAV or DAV Auxiliary.

Nominations for this award may be submitted by the applicant, Voluntary Service Program Managers at VA medical centers, members of DAV departments and chapters, or friends and family.

This is a great way to gain professional experience, complete high school or educational requirements, possibly earn financial assistance toward higher education and make a positive change in the lives of our nation's heroes.

If you have an interest in volunteering as a part of the DAV team, please contact the DAV Voluntary Services Department by emailing vavs@dav.org or by calling toll-free at 877-426-2838.
