

2023 DAV Nat'l Convention Scooters, Important Hotel Information, Discounts & Promotions

Scooters

We are excited to announce that we have finally found a more affordable scooter option for DAV National Convention Attendees!! DAV has found a vendor who will ship a limited supply of scooters from Florida for our members to rent during convention. While the pricing is not as low as what we have had in other cities, it is definitely lower than the Atlantic City Vendors are offering.

If you are paying over \$300 for your weekly scooter rental for National Convention or you have not been able to access an available, scooter, click on this link to reserve a scooter: [DAV Scooter Rental](#). (If you have already rented a scooter from another vendor, we suggest you cancel with them first and once you receive your refund, reserve your scooter at this new rate.)

The scooter rental rate for the week is \$295 (see below dates and times). Renters assume all liability to their assigned scooter while in their possession.

The standard scooter has a weight capacity of up to 400 lbs. and will come with the necessary cord to plug it in each night to ensure it has the power to move you around each day. The deadline to order the scooters is July 24, 2023.

Scooter rentals will be available for pick up on August 2nd in Wildwood 20 of Harrah's Waterfront Conference Center and must be returned to Wildwood 16-17 no later than 11am, Wednesday, August 9, 2023. These scooters are being shipped from Florida. If you fail to return the scooter prior to the date, time and location noted, you will be responsible for the cost of shipping it back to Florida. Each scooter has been assigned. Only take the scooter that has the tag with your name and reservation.

Scooter rentals will be fully refundable (minus the 6% processing fee) for cancellations made prior to July 24, 2023. Cancellations must be made to AJackson2@dav.org or aroush@dav.org prior to 5pm on July 27.

Once your rental reservation has been made, you will receive an email confirmation page with further details.
